Dear OM - February 5,1929

" VERY IMPORTANT "

(This is a form letter for the reason that immediate action on getting this to you makes saving of time a necessity.)

Mr.Pickard has just resigned as a member of the Radio Commission at Washington,D.C. This leaves a vacancy from the 9-th District which must be filled at once.

The most probable candidate for the position is our dear friend Mr.Hayes who is now Supervisor of Radio of the Ninth Radio District. As you know,Mr.Hayes is one of the amateurs' best friends,understands the work of the Radio Commission and knows the radio field for he has been Radio Inspector in both the 6-th and 7-th Districts and Supervisor of Radio in Washington, D.C. and the 9-th District. Mr/Hayes was founder and an instructor in the famous Los Angeles Radio School and has been with the Department of Commerce Radio Section since the War.

Now then - Mr.Hayes does not desire to take on this responsibility of membership in the Radio Commission WITHOUT the backing of the radio fraternity. He needs our moral support, OM,and the only way to show we are back of him is to send a letterto him stating we want him on the Commission and that we will be pleased to have him there. He is our FRIEND,OM,so please take action at once as the appointment may be

made at any time and we want him to know where we stand so he will accept.

Have every radio club you know of send an Official Letter to him also.

Further,it will do a world of good,for Mr. Hayes behalf,if a letter is also sent to President Coolidge,President-etect Hoover,Everett Saunders (Who is Pred.Coolidges secretary) and to your senator. You see,the President selects the member and the senate ratifies the appointment - hence writing to these men,also.

GO TO IT, OM and let's help put this man on the Commission. He has the Radio Amateur at heart.

Please do it RIGHT NOW -

Sincerely and 73

P.S. It would be FB if you can get a lot of the other boys to write - the more the better,of course.
